

PROFILE PRO

VINYL-TO-MP3 TURNTABLE WITH INPUT

The most elegant way to rediscover your LPs and other music.

Rediscover all of your music with PROFILE PRO. This advanced turntable transforms your LPs into MP3s, doubles as a home-stereo record player, and includes a hinged, protective dust cover. Plus, PROFILE PRO has a stereo input so you can convert tapes and other music to MP3.

ION's exclusive EZ Vinyl / Tape Converter software guides you through the easy-to-follow steps as you transform your LP records to portable, flexible MP3s.

The PROFILE series of LP-conversion systems is designed with contemporary, low-profile looks. Each model is designed to capture the music from your LPs and turn it into portable, flexible, digital MP3s that you can enjoy at home and on the go.

FEATURES

- Convert LPs to MP3s via USB connection to Mac or PC
- EZ Vinyl / Tape Converter software guides through transfer steps
- Connect and convert other music sources via line input
- Built-in preamp - play records on home stereo or home theatre
- Hinged dust cover protects needle and keeps slipmat clean
- Plug-and-play USB computer connection requires no driver installation
