KARAOKE SYSTEM FOR COMPUTER AND iPad

## Be a singing sensation with your PC or iPad!

Do you love to sing? If you have a computer, all you need is DISCOVER KARAOKE to be the star of the show. DISCOVER KARAOKE is a complete karaoke system for your computer. This easy-to-use package of computer software and peripherals eliminates the need for expensive, bulky traditional karaoke machines. Have the time of your life singing duets with DISCOVER KARAOKE's two included microphones. Give your vocals a professional polish by adding DISCOVER KARAOKE's adjustable echo effect. And with an expandable library of music, you're sure to never grow tired of the same old songs. This makes DISCOVER KARAOKE the perfect choice for creating an instant party without a complicated setup.
