

OMNI SCAN

STAND-ALONE IMAGE AND SLIDE SCANNER

Stand-Alone Image and Slide Scanner

Rediscover your long-lost slides and film negatives with OMNI SCAN. This all-in-one digital image converter transforms your images from outdated to updated without the need of a computer. OMNI SCAN's 5.1 Mega Pixel sensor scans your negatives quickly and with clarity to the standard ".jpeg" image file format. OMNI SCAN's full-color LCD screen allows you to enjoy your converted images immediately, or you can also connect OMNI SCAN directly to your TV and view your images on the big screen! OMNI SCAN's SD card slot and USB connection make transferring photos extremely easy. Quickly upload your photos over to a computer, digital picture frame, cellphone or virtually any other device. OMNI SCAN is the fun, fast and all-in-one solution to converting your slides and negatives to digital images.
